8th Annual Gender Bender Ball 2017

Studio 54

Gender Bender Ball is our biggest annual fundraiser and this will be our eighth year doing it. This year we have reserved the entire Pagoda Building to ourselves! For those of you who don't recognize the theme, *Studio 54* was one of the best-known nightclubs in the world in the late 1970s. Which makes our theme 70s disco! This gender bending party will include a live DJ, dancing, a raffle, and a stage show featuring local fire dancers.

The Gender Health Center (GHC) is a health and wellness empowerment and service organization. We provide mental health services, case management, and health advocacy services to everyone with a focus on underserved and marginalized communities particularly transgender individuals. We scheduled over 6,000 appointments last year, and helped more than 500 clients get services that are otherwise inaccessible to them.

Last year, the house was packed and our guests and sponsors helped fund operating costs of GHC. This year, your sponsorship will help pay our new staff's salary and offer new much needed programs to the community.

When and Where:

Saturday, August 19, 2017 at the Pagoda Building (429 J St, Sacramento)
